

Tank-mix sheet

COLISEUM®

Please note that physical compatibilities may not be approved tank-mixes. The tests do not check for any adverse crop phytotoxicity or for the biological efficacy of the individual components when applied in a tank-mix. Bayer Crop Science gives no warranty and accepts no liability in respect of physical compatibilities; therefore, use is at grower's own risk.

All the requirements or restrictions on other product labels must be adhered to when tank-mixing with Coliseum®. Contact Bayer Crop Science for full details.

Coliseum® can be tank-mixed with any herbicide in the first table as well as with an insecticide from the second table. A maximum of only 2 selections, one from each table, can be tank-mixed with Coliseum at any one time.
