

# Tank-mix Sheet

# RUDIS®

Please note that physical compatibilities may not be approved tank-mixes. The tests do not check for any adverse crop phytotoxicity or for the biological efficacy of the individual components when applied in a tank-mix. Bayer Crop Science gives no warranty and accepts no liability in respect of physical compatibilities; therefore, use is at grower's own risk.

All the requirements or restrictions on other product labels must be adhered to when tank-mixing with Rudis®. Contact Bayer Crop Science for full details.

Always maintain continuous agitation of the spray tank during mixing, transportation and application.

Rudis® is physically compatible with **ONLY ONE** of the following tank-mix selections:

## Fungicides

Cuprokylt WP #	Fubol Gold	
----------------	------------	--

## Insecticides
